UNFINISHED BUSINESS

Review of Nursing Application Questions

The Board reviewed the draft application and suggested revisions submitted by Mr. Salati, Mr. Brown, and Ms. Halpern. Ms. Singh and Director Mangler addressed with the Board the suggested revisions, as well as their concerns regarding making any revisions, because the new online application systems and the criminal background checks will make this application obsolete in the near future. After a lengthy discussion, Mr. Salati moved, seconded by Mr. Brown, not to proceed with the suggested revisions to the application at this time. Motion unanimously carried.

Review and Consider Final Order from Proposal to Deny Hearing for Nicole Jackson-Brown, LPN

The Board reviewed the Order regarding Nicole Jackson-Brown, LPN. The Order was circulated for Board members' signatures.

COMMITTEE REPORTS

APRN COMMITTEE

Dr. Williams reported that the Committee met on October 17, 2016, and continued to work on FAQs and the development of an algorithm to assist applicants in understanding the process of obtaining independent practice. The next meeting is scheduled for November 14, 2016.

PRESIDENT'S REPORT

Ms. Tyranski reported that she recently participated in the President's conference call with NCSBN, and much of the discussion centered on APRN Prescribing Guidelines. The NCSBN is currently establishing additional recommendations and best practices for prescribers for controlled substances. The recommendations include increasing the number of disposal sites, supporting additional evidence based practice prescription guidelines for opioid and heroin treatment, and providing more detailed descriptions regarding prescriber qualifications for those who are treating patients with Substance Use Disorders and addictions to opioids and other controlled substances.

It was reported that some jurisdictions have already passed legislation for the APRN Compact, 60% of jurisdictions indicated that they are interested in pursuing the APRN Compact, and 40% are not interested in pursuing legislation at this time.

Ms. Tyranski advised the Board that as of October 31, 2016, ten states have already enacted the enhanced Nurse Compact. NCSBN anticipates that the enhanced Nurse Compact will become effective December 31, 2018. This is an issue that must be monitored for Delaware, as when Maryland enacts the enhanced, there is only a grace period of 6 months when Delaware compact nurses can practice in Maryland and when Maryland nurses can practice in Delaware without applying for a single state license. DPR is not staffed to process a bolus of applications for out of state nurses who practice in Delaware, if the passage of DE's enhanced compacts is not timed with Maryland, in particular.

EXECUTIVE DIRECTOR'S REPORT

Dr. Mack reported that the NCSBN has updated the security system for their Passport website. She is requesting that board members make sure that they log in to the website on a regular basis to avoid being locked out. The website provides free resources, updates on the enhanced Nursing Compact, and free CEs.

Dr. Mack informed the Board that the following CE providers submitted satisfactory Annual Reports for their 2015 activities:

- AAACEUs.com
- Brain Injury Association of DE
- Brandywine Pediatrics
- CEU Institute, Inc.
- Delaware Association of Home and Community Care
- Delaware Developmental Disability Council
- Delaware Health Care Facilities Association
- Delaware Hospice, Inc.
- Delaware Health and Social Services – Stockley Center
- Delaware Division of Services for Aging and Adults with Physical Disabilities
- Delaware Health and Social Services
- Exceptional Care for Children
- Johns Hopkins
- Nanticoke Health Services

Dr. Mack advised the Board that she reviewed the continuing education provider application for Accordant Health Services, and recommends approval, as the application met all requirements set forth in the rules and regulations. Ms. Darling moved, seconded by Ms. Lambertson, to approve the continuing education provider application for Accordant Health Services. Motion unanimously carried.
